

BGA IMECHE STUDENT PRIZE 2020

ABOUT THE PRIZE

The joint BGA IMechE student prize has been established since 2000 and is considered one of the most prestigious Student prizes in the field of Mechanical Engineering.

The goal of the prize is to encourage and support the growth of the next generation of UK engineers

The prize is awarded for the best Final Year Project on any topic broadly related to the field of mechanical power transmissions.

WHY YOU SHOULD ENTER

- £400 prize
- Test your ideas
- Free entry to Gears 2021
- Chance to present your paper to industry experts
- Connect with top employers
- Prestige
- Boost your CV

SUBMISSION GUIDELINES

Please complete and return this application form to admin@bga.org.uk by **13th September 2020**.

A copy of the completed project report (in Word or pdf format) must be sent to admin@bga.org.uk by **30th September 2020**. If you have any further questions please do not hesitate to contact the BGA.

NB. Please note that projects for **HND/HNC, BEng/BSc, MEng or MSc** will be accepted and the judges will apply suitable weightings to take account of the different qualification levels.

WHAT HAPPENS NEXT?

All submitted papers will be read by our panel of industry judges and a winner will be announced November 2020. The winner will be invited to present their paper at Gears 2021 where they will also receive their official award and cheque for £400.
